

Compare Contrast between Picture A and Picture B

Although both pictures look like same but there are some differences also. First of all the main themes of the pictures are the same. In both pictures the family watches television. In the picture 'a' there are four persons and they are sitting in the same position which is similar to picture 'b'. In these pictures, the television placement in the same position. Also in these pictures, there is only one window and a center table which is similar. Another thing which is similar in these two pictures that is in those four persons two are male and the rest of the two are female. On the other hand, in these two pictures, there are a lot of color differences. In the picture 'a' there is a red carpet under the table but on the other hand, there is no carpet in the picture 'b'. There are two plants in front of the window in picture 'a' but in contrast, to picture 'b' there is totally empty. The number of the wall paintings are also different in these two pictures. The flower colors are also different in these pictures. The first one is purple and the second one is red. The colors of the dresses are also different in these pictures. In the picture 'a' the top of the bookshelf is filled with books but on the other side in picture 'b' it's totally empty. Another thing that is different in these two pictures that are the color of the hair of those persons. Therefore, the similarities and differences between picture 'a' and picture 'b' are quite closer.
